Lodging on Your Own – Summer 2012

We recommend that students make use of the hotels affiliated with the summer program. For students who prefer to find their own housing, we have compiled a list of websites that offer additional housing choices***. We have no affiliation with any of the housing options listed below and therefore cannot guarantee you will find them suitable.*** Please use wisdom and caution in choosing a place to stay. If you secure housing on your own, please give Lorraine McDonald the name, address, and telephone number of the place where you will be staying so we will know how to reach you in Bologna.
