

DON'T GIVE CRIME A CHANCE!

No matter where you live, it is always important to keep safety in mind.

Exam Period Safety Tips

When on campus ...

- Travel light when going to the library. If you have to leave your study area for any reason, pack your belongings and take them with you.
- Don't leave valuables unattended in public places such as the library, classrooms, cafeteria or lounge.
- Don't hang your bag on the back of a chair or place items on the floor giving easy access to someone who may want to take your property. Place property where you can see it at all times.
- Use your locker to secure your books and other valuables.
- Report any suspicious activity to the **Department of Public Safety at 718-780-7972.**

When walking home late at night ...

- Make plans in advance to walk home with friends after a long night of studying or call for a cab or car service.
- Be aware of your surroundings.
- Avoid wearing headphones, texting and other distractions.
- Use well-populated and well-lit streets.
- Have your keys ready before you get to your door.
- If you suspect that you are being followed, stay away from deserted blocks and head for an area where there are people or to the nearest open store or other place of business. If you are still being followed, **call 911 for assistance.**
